

ORDINANCE 2016-09

AN ORDINANCE ESTABLISHING THE POSITION AND PAY SCALE FOR PART-TIME VILLAGE ENGINEER WITHIN THE VILLAGE OF COMMERCIAL POINT, AND DECLARING IT AN EMERGENCY.

WHEREAS, the Mayor has recommended to Council that the position of part time Village Engineer be established within the Village of Commercial Point; and

WHEREAS, the part time Village Engineer position is deemed necessary by Council to ensure the efficient administration of engineering services for the Village of Commercial Point; and

WHEREAS, the establishment of a new position of employment within the Village requires enactment of legislation for the pay scales of newly-hired employees.

NOW THEREFORE BE IT ORDAINED, by, at least two-thirds majority, of the Council of the Village of Commercial Point, County of Pickaway, and State of Ohio as follows:

SECTION 1: The positions of a part time Village Engineer is hereby established within the Village of Commercial Point.

SECTION 2: A part time Village Engineer shall be hired for a maximum of forty (40) hours per month at a compensation rate of \$30.00 per hour plus OPERS and Workers Compensation Insurance.

SECTION 3: Engineering services will be performed “as needed.” The Mayor and/or Village Administrator shall approve all hours prior to the performance of the work. Engineering hours shall not exceed forty 40 hours per month without approval of Village Council.

SECTION 4: It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of the Council, and that all deliberations of this Council and any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with Section 121.22 of the Ohio Revised Code.

SECTION 5: That this Ordinance is hereby declared to be an emergency measure and shall take effect and be in force immediately from and after its passage. The Village is in need of engineering services to protect the health and welfare of the citizens. The Village is currently expanding its water capacity and needs an engineer to oversee the project.
